

Sugar or Salt (SOS) Trial:

Hyperosmolar therapy in traumatic brain injury

! **Eligibility must be confirmed by a doctor** prior to the patient being enrolled and **the Screening and Eligibility Form signed by that doctor** as soon as practicably possible after enrolment.

- Inclusion Criteria:**
- Adult aged ≥ 16 years old
 - Admission to ICU following TBI
 - ICP $>20\text{mmHg}$ for more than 5mins despite stage 1 procedures
 - <10 days from initial primary head injury
 - Abnormal CT scan consistent with TBI

- Exclusion Criteria:**
- Devastating brain injury with withdrawal of treatment anticipated in the next 24 hours
 - Pregnancy
 - Severe hyponatraemia (serum $\text{Na}>155\text{ mmol/L}$)

EudraCT Number: 2019-001688-66

Sugar or Salt (SOS) Trial:

Hyperosmolar therapy in traumatic brain injury

! **Eligibility must be confirmed by a doctor** prior to the patient being enrolled and **the Screening and Eligibility Form signed by that doctor** as soon as practicably possible after enrolment.

- Inclusion Criteria:**
- Adult aged ≥ 16 years old
 - Admission to ICU following TBI
 - ICP $>20\text{mmHg}$ for more than 5mins despite stage 1 procedures
 - <10 days from initial primary head injury
 - Abnormal CT scan consistent with TBI

- Exclusion Criteria:**
- Devastating brain injury with withdrawal of treatment anticipated in the next 24 hours
 - Pregnancy
 - Severe hyponatraemia (serum $\text{Na}>155\text{ mmol/L}$)
