

## Opportunity for Practice Staff to take part in a brief 5-minute online survey about how their practice is (or isn't) taking actions towards a Net Zero NHS.

If you work in a general practice in Birmingham and Solihull ICB, Coventry and Warwickshire ICB, and South Yorkshire ICB, please consider completing a brief 5-minute online [survey](#).

The research team want to hear your views, whether your general practice is or isn't currently taking actions to decarbonise at present. They are keen to receive responses from a range of staff groups within your practice. **Please ask your colleagues to participate.**

### Why take part? :

- One **tree** will be planted for each practice that provides one or more responses (through [NHS Forest](#))
- By completing the survey, you can opt into a **prize draw** with the chance to win one of five **£50 vouchers**.
- Your practice can opt into receiving a **Certificate of Participation**, in recognition of support of the GPNET-0 Study and the tree that will be planted on behalf of the practice.

[Sign up](#) to be added to the GPNET-0 Study's mailing list, to receive bi-monthly newsletters on study progression.

Access the survey using this link, or by scanning the QR code:
