

2024 RCGP (Midland) Education, Research and Innovation Symposium

Dear Delegates,

Thank you so much for registering to attend the symposium here at University of Warwick (Westwood Campus) on **Thursday the 18th April 2024**. We are looking forward to meeting you all and seeing lots of you present your work.

We will also be contacting those of you who are **presenting** in due course separately but here is some housekeeping information for the day that you will all find useful.

- The draft programme with confirmed timings is now [published on the event page](#). This will be updated up to the event itself and will be downloadable on the day via a QR code displayed at the venue.
- Registration will be from 9am and proceedings will start at 9.30am. Lunch is provided as well as tea and coffee at 10.30am and 3.45pm.
- Parking is available on the Westwood site. Please use CV4 8EE for your Satnav – not the main campus postcode - and be aware that while the Westwood site is not on the main university campus, it is adjacent and is well signposted. **If the postcode above isn't recognised by your Satnav please try CV4 8GL.**
- The Teaching Centre is also well signposted once you arrive at the Westwood site. Here is [a link to the interactive campus map](#). If you search for Westwood Teaching Centre the map will zoom in so you can see where you are heading.
- Parking is [via an app](#) using numberplate recognition – full details for getting to the campus by car can be found [here](#).
- Details about other ways of getting to us can be found [here](#).

If you have any queries or issues ahead of the event do get in touch on wmcgp2024@warwick.ac.uk and we will help. If you need help on the day itself you can ring 07930 543938 (Helen McGowan) as a mobile contact for emergency calls.

Sending very best wishes in the meantime. See you on the 18th!

The RCGP (Midland) 2024 Symposium Planning Team
