Impact of Warwick Alumni Mentoring

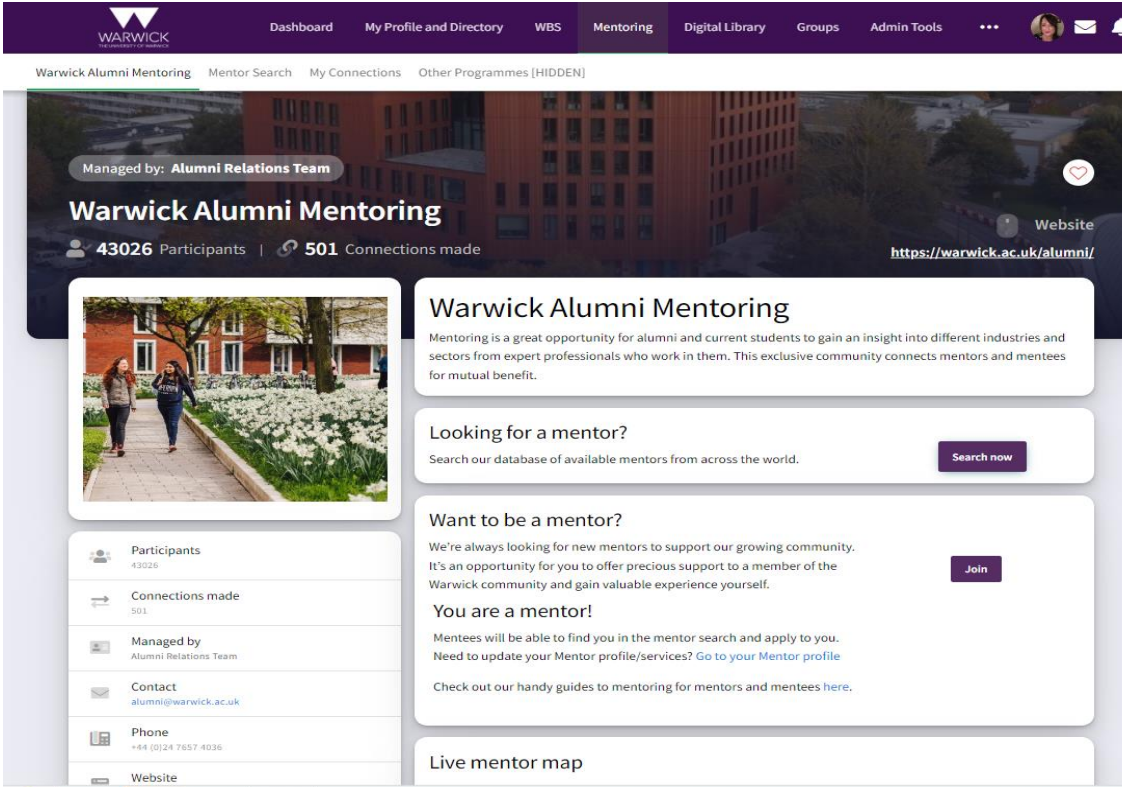

"I found a warm welcome on Warwickgrad and a willingness from Warwick alumni to help me to reach my goals. Through mentorship, I gained confidence and perspective to apply for jobs, which weren't necessarily top of my list. It's a huge benefit and I was able to secure a position as Graduate Area Manager at Amazon." "

Mahesh Ram Krishna Raj, student mentee (MSc Engineering Business Management, 2024)

"Since graduating, it's been incredibly inspiring and useful to talk to a fellow Warwick graduate who's achieved success in my chosen profession."

Lucy Blackman, alumni mentee (BA English Literature, 2013)
