

WBS Undergraduate Module Fair and 22-23 Module Applications

An important date for students is fast approaching...!

Following the success of Warwick Business School (WBS) Module Fairs before the Coronavirus pandemic, WBS is pleased to announce that it will once again be hosting a **Module Fair** for all undergraduate students who wish to study WBS modules 2022-23.

The WBS Undergraduate Team, in partnership with WBS SSLC, are looking forward to hosting this event in the **WBS Undergraduate Learning Space** at **2.15 - 5pm** on **Wednesday 9th March 2022**.

The Module Fair is perfect for any student seeking to find out more about the WBS elective modules available and provides a one-off chance to speak to WBS staff and students about the different modules on offer.

The **Module Applications** system, used to apply for WBS elective modules for 2022-23, will open at 2pm on Tuesday 8th March. It will remain open until 2pm on Wednesday 4th May. You can submit your application for 2022-23 elective modules at any time during the eight weeks the system is open. Important – the application process is NOT first come, first served – ALL applications are considered after the close time on 4th May, just be sure not to miss the deadline.
