Module Availability - Information for Students External to WBS

WBS welcomes over 2000 Warwick students each year to study a range of undergraduate modules. This document provides an overview of the WBS undergraduate elective modules that are available to Warwick students in 2021-22. Please review my.wbs for more information and remember that module applications must be made BOTH on my.wbs and with your Department.

Students on some courses (e.g. MORSE, EPP) have slightly different options available to them. Please log into my.wbs for a bespoke list of module availability.
