Bulletin #2

I am pleased to announce that registration is now open for CKM2010, the 6th International Workshop on the CKM Unitarity Triangle, which will take place at the University of Warwick, UK, September 6-10, 2010. The fee has been set at £125.00 for registration **before 25 June 2010**. Accommodation can also be booked at the conference web page, <http://ckm2010.warwick.ac.uk>

The organization of the meeting will be similar to previous workshops. The workshop will be a culmination of the effort of six working groups. There will be joint sessions to discuss topics of interest to all working groups. There will also be opening and summary plenary sessions, as well as a public lecture. More details are available from <http://ckm2010.warwick.ac.uk>, with an outline agenda available at <http://indico.cern.ch/event/ckm2010>

Please note that limited funds may be available to support researchers who would otherwise be unable to participate in the workshop. To request support, please email ckm2010@warwick.ac.uk

I look forward to welcoming you to Warwick.

Tim Gershon,
on behalf of the organising committees.
