Bulletin #3

I am pleased to announce that the final agenda is available for CKM2010, the 6<sup>th</sup> International Workshop on the CKM Unitarity Triangle, which will take place at the University of Warwick, UK, September 6-10, 2010. Similar to previous workshops in this series, the meeting will be a culmination of the effort of six working groups. There will be a joint session to discuss topics of interest to all working groups. There will also be opening and summary plenary sessions, as well as a public lecture. More details are available from <http://ckm2010.warwick.ac.uk>, with the detailed agenda available at <http://indico.cern.ch/event/ckm2010>

Late registrations can still be accepted. There are some limited funds remaining to subsidise the participation of students. Registration should be done online at <http://ckm2010.warwick.ac.uk>. To request support, or for any other enquiries please email [ckm2010@warwick.ac.uk](mailto:ckm2010@warwick.ac.uk)

I look forward to welcoming you to Warwick.

Tim Gershon,  
on behalf of the organising committees.
