Dear All,

The annual SDG report is currently being written by the Environmental Sustainability team, summarising the universities activities **in 2022/23**.

The format of the report will be split into [the 17 areas covered by the UN Sustainable development goals](#) and will concentrate on four areas of interest.

- 1) Research - published or newly funded.
- 2) Education – student support, support for public events / awareness campaigns
- 3) Public and student engagement – services offered to staff students &/or public, events run throughout the year
- 4) Operational activities & changes.

- *Attached is an image of the drafted SDG 15 for reference.*
- *This [\[Link\]](#) is the latest report from the University of Manchester which is a leading example.*

We are reaching out now, across the network of Green Champions to ask for your help gathering these stories of good work from across the university and beyond the green champions community.

The aim is to collate roughly 100 words on a topic area, additionally if the topic area has been published in a press release or news article on the Warwick website, a link to this would also be included in the report.

Please contact [@Sustainability, Resource](#), [@Higgs, Victoria](#) and/or [@Allison, Laura](#) with anything you would like to include in the report by **Monday 16th October**.

Thank you in advance for your help,

Best regards,

Sam Shaw

Dear all,

Please see attached a memo from the Doctoral College on various scholarship schemes. Important dates are extracted below for your diaries.

Earlier, Tom and I spent some time updating and reorganising the information we have on our PGR page <https://warwick.ac.uk/fac/sci/psych/pgresearch/>. Not a complete revamp we would have hoped with professional support and fancy editing, but hopefully you'll find it easier to navigate through the pages and identify useful information about the PGR admissions process. You may want to direct prospective applicants to the page to save you time from answering queries. Sections like "[advice on applying](#)", "[fees](#)", "[funding and studentships](#)" and "[FAQ](#)" are particularly relevant.

Best,
Nicole

Hello

I wanted to plug an Annual Lecture that we have for Black History Month in the Law School. This year our lecture will be given by Prof Toni Willaims from Cambridge University on Wednesday 25 October 2023
 Time: 5:30 - 7:30pm ;Location: M2, Warwick Business School Teaching Centre, University of Warwick. This is event is open to all so please do raise awareness in your departments please.

To register please find the link: <https://warwick.ac.uk/fac/soc/law/events/black-history-month-public-lecture/>

Join us as we delve into a significant event from 1943 when Mr Learie Constantine, a renowned Black cricketer, encountered racial discrimination at the Imperial Hotel in Bloomsbury. Despite booking accommodation for his family, they were denied entry, sparking a media frenzy, parliamentary discussions, and calls for change. Discover how this incident, largely absent from legal education, impacted the development of the UK's first Race Relations Act in the 1960s. Explore the historical context of Constantine v. The Imperial Hotels and their implications for understanding racism's role in the market.

Don't miss this enlightening lecture on a pivotal moment in British history.

There will be a Q&A and drinks reception after the lecture.

**Please note the room/location may be changed to accommodate demand for in-person attendance.*

With warm regards,

Sharifah

WARWICK WELLBEING PEER GROUP SUPPORT FOR STAFF

**PEER SUPPORT GROUP
STRONGER TOGETHER**

Wellbeing Belongs To Everyone!

1 in 4 adults experience a mental health condition at some point in their lives. Everyday stressors, personal contexts or global conditions can have a great impact on our own wellbeing and our work. Loneliness can also play a major role in how we may experience these symptoms.

The WARWICK WELLBEING PEER SUPPORT GROUP aims to create a safe and confidential space for members of staff who would like support with their wellbeing.

The group will follow best practice and ethical guidelines and will be facilitated by professionally trained Lead Peer Support Staff. Members can share lived experience and knowledge in a safe and respectful environment. Through connection, trust and open dialogue we can enhance our own wellbeing and support others.

The first introductory support group session will be held on 1st of November at 1pm in Meeting Room One of Senate House. Refreshments will be provided.

If you would like to join us please email Andreea at A.fertigan@warwick.ac.uk or Denver at Denver.thorpe@warwick.ac.uk.

We look forward to seeing you there.
