**Password Management Standard: for comment**

In case anyone would like to review this, IDG are seeking comments on the proposed changes to the minimum requirements for the creation and handling of authenticators such as passwords, PINs and encryption keys. The password management standard document is open for comments to be added until 6 September, and can be viewed [here](#). Please email [Jo-Ann Wragg](#) with any questions. (To note, not everyone needs to review this, but if you are interested, IDG are keen to have input to the new standard. You will see from the document that colleagues including from WMS have already been asked to comment, and these comments can be seen in the online version.)

Kind regards

The Faculty Team

Dear Study Abroad students for 24-25,

We hope you are getting excited for the start of your international adventures this year.

We just want to clarify a few things:

**What needs to be done now/when you arrive in country**

## COMPLETING SHORT ONLINE FORM WITHIN 24 HOURS OF ARRIVAL IN YOUR HOST COUNTRY

- For insurance purposes of us knowing where students are, you are required to confirm that you have arrived in-country within 48 hours of arrival. [This is a short online form.](#)

## Other things to note

### FUNDING QUERIES

#### Warwick Mobility Bursary/Turing Scheme

- We have not yet opened up funding applications. We will contact you in October when we are in a position to do so. At that point you will be given instructions on what you need to submit to us in order for your funding application to be processed. Until we receive further student data we are not in a position to confirm who will receive Warwick Mobility Bursary or Turing Scheme funding. Once we have this data we will contact students to confirm. Students were advised at pre-departure events to not expect to receive funds before November.

#### Travel Grant or student loan query through Student Finance England/Scotland/Wales

- If you are applying for a travel grant through one of the external Student Finance organisations, then follow their instructions and speak with them directly. We sent a list to Student Finance England of all students undertaking year abroad back in May. If you require a course abroad form signing, then please email this to [studyabroad@warwick.ac.uk](mailto:studyabroad@warwick.ac.uk) and we will sign/return this back to you.

### CONTACTING THE STUDENT MOBILITY TEAM

- The best way to contact the Student Mobility team is during one of our weekday MS Teams drop in sessions. These are listed and updated on the front page of the Student Mobility website: [Student Mobility - Student Opportunity \(warwick.ac.uk\)](#)
- Alternatively, you can email [studyabroad@warwick.ac.uk](mailto:studyabroad@warwick.ac.uk) email. Please note that we are a team of 5 people running year abroad, with over 1300 exchange students, therefore we would be grateful if you can come on to MS Teams sessions and review the [Frequently Asked Questions](#) section of the Study Abroad website in the first instance before emailing us.

Other things to think about here:

- [Student Mobility Forms 2024-25 \(warwick.ac.uk\)](#)

Best wishes,

Student Mobility Team

#### Warwick R User Group Workshop: Quarto for Researchers

**Tutor:** Dr Nick Tierney (Research Software Engineer, Telethon Kids Institute, Australia)

**Date/time:** Thursday 19 September, 13:30-17:00

**Venue:** [WA0.24](#) Avon Building / Teams

This half-day hybrid workshop led by Dr Nick Tierney will give an introduction to [Quarto](#), an open-source scientific and technical publishing system.

The workshop will be based on Dr Tierney's "Quarto for Scientists" material, which is relevant to researchers in general, see the [README](#) for the workshop schedule and learning outcomes.

The materials assume use of R, but Quarto can also be used with Python and Julia, so is of general interest for creating reproducible documents and other technical content (websites, books, ...).

Follow the [installation chapter](#) of the course material to get set up for this workshop.

Although the workshop will be hybrid, you are encouraged to attend in person if possible.

**\*\* Please RSVP via the Warwick R User Group Meetup asap (both in-person and online attendees) \*\***

Impact Directors - Future Innovation Leaders programme video now available

Hi

I emailed you all back in August about the new WFIL programme we are piloting and we got some questions back asking for further information. We now have a video available which explains the programme and its objectives so with just over two weeks left to apply, could I ask you to share this link to the video and encourage people to get in touch with any questions. <https://youtu.be/C007AaTP8jc?si=U29TV5JFhMW8Zs96>

The link to the application form is below:

<https://warwick.ac.uk/services/innovations/commercialise/support-programmes/wfil/>

many thanks

Jo

Hello All

The Research Comms team are currently taking submissions for the Autumn Edition of Spotlight, which will be going out W/C 14<sup>th</sup> October 2024

If you wish to submit a feature, please fill in and return the attached submission document. Please note, the deadline for submissions is **30<sup>th</sup> September 2024**.

**Please disseminate this information to colleagues who you think may have a story or opportunity to feature.**

If you have any queries, please contact us at [researchcomms@warwick.ac.uk](mailto:researchcomms@warwick.ac.uk).

Thank you.

Kind Regards

**Research Communications Team**

**Governance in the an Era of Polycrisis - Free online conference 14-18 October**

For everyone interested in the role of Sustainability Policy and Governance in the an Era of Polycrisis, please consider registering for free and attending online a variety of events organised as part of the Earth System Governance online forum:

<https://2024forum.earthsystemgovernance.org/>

The programme integrates insights from various fields such as environmental science, politics, economics, sociology, international relations and public policy to understand the interconnectedness of global challenges and proffer transformative solutions. I'll be chairing a session on work produced by the taskforce on the governance of nature and biodiversity, but the forum covers a wide range of topics and issues that might be of interest to colleagues: <https://www.earthsystemgovernance.org/what-we-do/task-forces>

Please let me know if you have any questions about this event and community.

Best wishes  
Fred Dahlman

**Staff Masterclass: Demystifying Neurodiversity and Reasonable Adjustments**

Hello Professional Services Excellence Network 😊

The Disability Team is offering staff an in person masterclass on neurodiversity, reasonable adjustments, and how the Disability Team and the wider university community support disabled students.

The masterclass will give you an overview of the following:

- Demystifying neurodiversity
- Understanding reasonable adjustments
- How students engage with the Disability Team

You can sign up for a session here <https://warwick.ac.uk/services/wss/staff/information/trainingcourse/>

Please share with colleagues and we hope to see you there!

Josie Lovett
