The **Early Career Staff Social Group** is a new group (established in June 2022) solely focused on meeting and socialising with fellow early career staff members at Warwick who are a few years in or starting out in their careers. The goal is to create a space for staff members where they can socialise, connect and hopefully develop lasting friendships with other members at Warwick. PhD students are also welcome. Meetings will be taking place at a local pub or coffee shop in Coventry/campus venues on a weekday or weekend evening to chat and hang out in an informal setting. The aim will be to run socials weekly or fortnightly based on popularity. Please get in touch with Archit at Archit.Tamboli@warwick.ac.uk to join the group.
