### **Announcements**

Good afternoon,

As some of you may have seen in the HoD newsletter this week, I am delighted to announce that, through November, our campus will unite with our global university partners and alumni communities worldwide to celebrate Warwick's international community, connections, opportunities, and impact under the banner of **One World Warwick**.

Alongside activities taking place with our partners around the world, there will be a dedicated programme of activities and events taking place on campus hosted by the Students Union, Warwick Arts Centre, Warwick Presents, the International team, Student Opportunity, as well as multiple teams, Departments and Faculties across the University. You can find all the details of events – and how to take part – at [www.warwick.ac.uk/oneworldwarwick](http://www.warwick.ac.uk/oneworldwarwick)

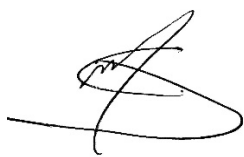

This is a fantastic chance for staff and students to warmly welcome new members from around the world into our community; explore and experience the diverse

cultures that make Warwick such a vibrant and dynamic place; and celebrate our own unique backgrounds, traditions, and interests. It also offers the chance for students to learn more about the fantastic array of global opportunities available to them while at Warwick.

I would like to offer huge thanks to all who are organising events as part of One World Warwick and look forward to meeting many of you at the upcoming events. I encourage you all to participate in as many as you can, and if you would like to organise an event, there's still time! Just get in touch to let us know the details.

Finally, don't forget to use the hashtag #OneWorldWarwick on social media to share your experiences with us!

With all best wishes

Michael Scott  
Pro-Vice-Chancellor (International)
