Department of Psychology – Weekly Bulletin: 08/03/24

Please send any information to hod.psychology@warwick.ac.uk you wish to share.

Each weekly bulletin will be shared every Friday – We hope you have a lovely weekend!

Özge Ünal-Koçaslan – Visiting Research Fellow

Hi all, I'm Özge. I am a visiting researcher here supported by TUBITAK Postdoctoral Research Fellowship Program, and I started my one-year fellowship in February. My main research focuses on decision making processes within the framework of behavioural economics. I completed my PhD in social psychology from Mersin University (Turkey) in 2021. After my PhD, I worked as an assistant professor in the department of psychology at Samsun University (Turkey) and gave different courses on social psychology such as 'group dynamics and intergroup relations', 'gender equality' and 'cooperation and morality'. Here, I collaborate with Dr. Michaela Gummerum to conduct research which aims to investigate the third parties' reactions to distributive injustice and answer the question as to whether one can be motivated to react to unfairness. I am so happy to be working here along this year and excited to meet you all. I wish you a happy end of term and a enjoying holiday season!"

Are you working on research related to wider determinants of good health - such as housing, digital inclusion, or employment and skills?

Would you like the opportunity to inform evidence-based policy making?

If so, the below opportunity and mixer event may be of interest to you:

Health Determinants Research Collaboration

Coventry City Council - Coventry University - University of Warwick

Networking event for researchers and Coventry City Council representatives:

- **Tuesday 19 March**
- **9:30am - 12pm** (*networking & refreshments from 9.30am, with the session starting at 10am*)
- SC GF: Meeting Room
The Simulation Centre
Cheetah Road
Coventry
CV1 2TL

Coventry City Council is one of 30 local authorities across the UK that has been awarded funding to establish a **Health Determinants Research Collaboration (HDRC)**. The purpose of the HDRC is to establish a research infrastructure to reduce health inequalities and improve the wellbeing of Coventry residents as well as have impact nationally and internationally.

By working with the people of Coventry to identify their needs and priorities, the HDRC aims to stimulate, support, and disseminate research to identify evidence-based solutions to tackle health inequalities in the city to improve the lives of its residents.

The purpose of this event on Tuesday, 19 March is to offer an initial space for researchers and representatives from Coventry City Council to network and to explore ideas for future research collaborations. This is an opportunity to identify shared goals and develop ideas for future work with local council stakeholders.

Representatives from Coventry Council within a number of the following areas will give short presentations outlining their interests, priorities, and possible ideas for collaboration:

- **Digital inclusion**
- **Economic Development**
- **Employment and skills**
- **Housing**
- **Transport**
- **Highways and Sustainability**
- **Public Health**

If you would be interested in giving a short presentation (5 mins) on your research and ideas for collaboration at this event, or if you just wish to take the opportunity to network more broadly, please email esrciaa@coventry.ac.uk to confirm your place.

This event is part-funded by Coventry University's ESRC Impact Acceleration Account. The [HDRC](#) is building on Coventry's track record of cross-sector engagement and is operating as a collaboration with Coventry University, the University of Warwick, University College London, University Hospital Coventry and Warwickshire, the voluntary sector, and local communities.

Kind Regards,

Andrea

Hello Warwick Administrators Network,

Hope everyone is well!

I am messaging with some exciting updates ahead of the network relaunch. Please see below:

Committee Announcement

Following our recent invite for members to submit expressions of interest to join a network committee, I am pleased to say that this will mean we are fully resourced to organise events, initiatives, training etc. for the network so this is an exciting milestone for us.

The committee membership is as follows:

Co-Chairs	Secretaries	Clerical Assistants
Chris Anderson	Georgina Haslop	Kate Higton
Naomi Moulard	Sera Millar	Joanna Lea
Kathleen Choudhary	Hannah Austin	Kirsty Whitter
Patricia Burke		
Sabina Begum		

Name Change

The PA Forum has always been about inclusivity with an open membership to anyone who benefits from what we are doing. We want to include members from within a variety of administration roles, and we believed it was important to reflect this in the branding of the forum to the **Warwick Administrators Network** as we believe this is a far better reflection of our membership of professional administrators. This will be discussed in further detail at the re-launch event.

Re-Launch Event

Planning is underway for the re-launch event, which we are anticipating holding on either 15th / 16th April from 12:00-14:00. We are looking for interest to attend by completing the Microsoft Forms link below. We are looking to provide catering and we would be grateful if you could let us know if you have any dietary requirements. Once the location has been confirmed, we will send a holding invitation into the diaries of all members as soon as possible. We are very excited and looking forward to seeing you there!

Please ensure you are signed into the website (or via single sign-on) to access the forms link below:

If you see or have an accident, or feel unwell summon a First Aider (in the Humanities Building):

The departmental First Aiders are:

Hannah Austin - H1.41, call x73910 (or 024 765 73910 from a mobile phone)

Catherine Johnstone - H2.53 call x23745 or (024 765 23745 from a mobile phone)

Professor Thomas Hills - H0.26, call x23182 (or 024 765 23183 from a mobile phone)

Dr Pete Trimmer - H0.29, call x50909 (or 024 761 50909 from a mobile phone)

If it is not possible to contact one of the first aiders, please contact Community Safety on ext: 22222 (024 765 22222)

Automated External Defibrillators (AEDs) location <https://warwick.ac.uk/services/healthsafetywellbeing>

Procedure for reporting Accidents

(a) Report incident to [Linda Wilson](#) or, in her absence, your line manager / supervisor / tutor.

(b) Complete the online [Accident / Incident / Near Miss Report Form](#)

[UOW_Portal_b61470bf-91f9-4f38-a1c9-8b2cce40b052 \(sheasure.net\)](#)

When working on campus outside normal hours it is recommended that you keep a mobile phone with your number saved as a contact on it. The Community Safety number is 024 7652 2083 (or 22083 from international)

Kind Regards,
Hannah.

Hannah Austin (She/Her)

PA to Derrick Watson, Head of Psychology, University of Warwick

Please note my working hours are 8:30am till 4:30pm Monday to Thursday and 9:00am till 4:00pm on Friday.

Room H1.41, Humanities Building | Coventry | CV4 7AL
