

Build your Future

Alumni Inspired Careers (AIC) Events,
Placements, Skills Development and Employability

**UNIVERSITY
OF WARWICK**

Why are you here?

You will have more focus when you have a purpose to be here.

- For many students, university is a step towards a **career**. Do you know where you'd like yours to take you?
- What **draws** you to that path?
Friends? Hearsay?
- **Our goal:** to inspire you early in your degree, give you a purpose to be here and get you ahead of the game.
- Just as importantly, to help you make **informed decisions**.

NEW!

Alumni Inspired Careers (AIC) Series

- **Don't worry! No need to have it all figured out yet!**

We have organised a series of events to help you keep an open mind and explore **where your degree can take you.**

- Who better than those ***who've been where you are,*** successfully navigated your degree, and are now making an impact in the industry to give you ***relatable and reliable advice?***

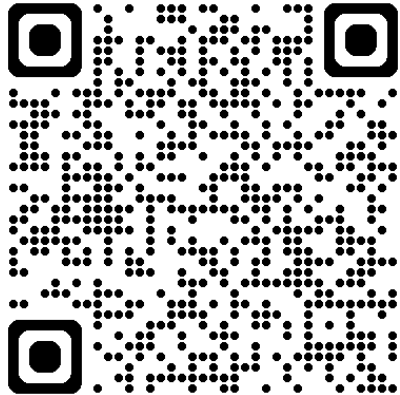

**UNIVERSITY
OF WARWICK**
