STUDENT OPPORTUNITY

Why should you get involved?

WARWICK
AWARD
STUDENT OPPORTUNITY

- Identify skills you'd like to develop or improve, and find activities to develop them in
- Find and get involved in opportunities from all over the university
- Try new activities and experiences, and get recognition for being involved
- Get a certificate and a digital badge to prove you did these things
- Have fun, make friends, belong to the Warwick community
- Boost your employability and learn to articulate the skills you have and how you have developed them

Introduction to the Warwick Award Pathway

When you sign up to the Warwick Award, you are automatically enrolled on this introductory pathway to help you get started and direct you to some of the introductory activities. You will also gain your first few points!

The pathway contains:

- The 12 Warwick Core Skills: Your Experience survey
- JISC Digital Capability Discovery Tool
- Introduction to the 12 Core Skills Moodle course
- A selection of Moodle courses on specific Core Skills
- Choosing and Planning Activities Reflection
