

Warwick Statistics Department SSLC FINAL Module Feedback Summary Form

Module: ST222
 Lecturer: J. Brettschneider
 SSLC Rep: Ruiqi Liu
 No. responses: 71

Please tick the box you feel is most appropriate to the given statement:

	Agree	Disagree	Unsure
The lectures were interesting.	59	4	8
The lecturer was good at explaining things.	47	9	15
The lectures were delivered clearly (audible, legible, clear handwriting etc).	56	9	6
The arrangements for assessment in this module were satisfactory.	50	12	9
I received helpful feedback on my work (in tutorials, online, comments on returned work).	16	11	44
Feedback on my work has been prompt.	36	5	40
Overall this was a good module	56	3	12

Constructive suggestions to help improve this module are:

- Test is too hard, more examples \ exercise needed.
- Slides are wordy and go too fast. Hard to follow.

Any other comments about lectures:

- lecturer is a nice person.
- Updating e-mail is great.
