

Reachout for Healthcare Science 2022

Learn about Healthcare Science Careers!

Are you interested in Science? Do you want to support patients and their families and make a real difference to society?

Reachout for Healthcare Science is a fantastic opportunity for year 10-13 students to learn about the many and varied careers available in Healthcare Science.

Programme Content

Health Education England (London) has got together with Springpod to provide a free virtual work experience, introducing the fascinating world of NHS healthcare scientists. Students will be able to take a peek inside the healthcare science world, be able to hear from the personal experiences of healthcare scientists, get career advice and take part in a series of fun activities.

How do I sign up?

Find the full details, including eligibility criteria and apply here <https://www.springpod.com/virtual-work-experience/reachout-for-healthcare-science-with-health-education-england>

The programme will take around 10 hours to complete and students will be able to fit it in around their own schedule during 24th October – 4th November.

Applications close on the 19th October.
