

Hillman Imp

William Moncaster 2021
Page 2 of 2

1. Cut the tree out
2. Push the two tabs into the slots in the roof of the car from the other page

Why have we chosen the Hillman Imp?

Coventry has a proud history of making new and exciting cars in Britain. The Hillman Imp was an innovative new car back in the 1960s and was designed right here in Coventry. There is a Hillman Imp at Coventry Transport Museum.
