

Paper Snowflake
WMG Outreach 2020

1. Cut out the hexagon with the thick black lines.
2. Fold along dotted line A, folding the bottom half underneath and away from you so you can still see the other lines
3. Fold along dotted line B, again underneath and away from you
4. Fold along dotted line C, underneath and away from you
5. Fold the whole thing in half along D so you can still see the snowflake pattern.
6. Cut along the dotted lines.
