## Instructions

1. Fold along line A, then open the card back up and fold along line A the other way. Run a ruler over your creases to make them really firm.
2. Keep the page folded and hold it so you can see this side with the instructions.
3. Cut along all horizontal lines B
4. Fold along line C, then fold the other way.
5. Open the card out.
6. Gently push in the strips that are labelled 'push in'.
7. Fold the card closed with your alternate tree strips inside the card.
9. Decorate your card!
