

Instructions

1. Fold along line A, then open the card back up and fold along line A the other way. Run a ruler over your creases to make them really firm.
2. Keep the page folded and hold it so you can see this side with the instructions.
3. Cut along line B
4. Fold a triangle by pulling the section labelled 'Beak- Top' towards you and folding over line C.
5. Fold another triangle by pulling the section labelled 'Beak- Bottom' towards you and folding over line D.
6. Flip the card over and fold your 'Beak- top' over line E. Fold 'Beak- bottom' over line F.
7. Open the card out.
8. Gently start to fold the card along line A but keep the card half open so you can still see these instructions.
9. Push your cut sections (labelled beak) from the back side (blank) of this card) towards you. They should pop out.
10. Fold the card closed with your beak inside the card.
11. *Decorate your card!*
