Decorated Pop-up Card

The template:

Instructions:

1. Find the printed version of the card shown in the image above.
2. Fold the card along the solid line A. Make sure your creases are really firm by running a ruler over them!
3. Cut the page along dotted lines B, C, D, E and F.
4. Fold the cut sections along lines G, H, I, and J.
5. Turn the card over.
6. Fold the cut sections along lines K, L, M, and N.
7. Open the card back out.
8. Gently fold the card along line A so the printed pattern is inside.
9. Open the card back out halfway. You should be able to see the pattern printed.
10. Push the cut sections from the back of the card towards you so that they pop out towards you.
11. Gently fold the card closed.

Optional:

- Decorate the card
- Stick a piece of paper to the back of the card.
