

Turtlestitch Skills: Ready, Steady, Stitch

Getting started

1. You can use these blocks to stitch patterns. Change the numbers by clicking on them.

2. Join blocks together and click on them to run them.

3. Click 'reset' to move the turtle back to the start.

4. Select a stitch to make the turtle stitch its path.

Taking it further...

Explore different combinations of move and turn.
Try out different types of stitch.
