# Fold A Pentagon

A2

A

A1

1. Cut along the thick black lines to get a big square.
2. Fold edge A1 over dotted line A to meet edge A2.
3. Fold corner B1 over line B to meet point B2.
4. Lift corner C1 and fold over line C to meet edge C2.
5. Fold edge D1 over line D to meet edge D2.
6. Fold edge E1 over line E to meet edge E2.
7. Cut along dotted line F.
8. Open out your shape. It is a pentagon!
