

WMG Registration 2019

To ensure a smooth transition to Warwick, you must register with WMG before the start of term. Remember, registration is not the same as enrolment with the University; you must do both.

Registration for WMG will take place on Wednesday 25 September and Thursday 26 September 2019.

Our [Information for Offer Holders](http://go.warwick.ac.uk/wmgofferholders) site has been designed to provide you with all the information you need to prepare you for your postgraduate studies with WMG, so please ensure that you read it carefully:

Frequently Asked Questions

○ **What should I bring to registration?**

If you already have your University card, then please bring it with you. If not, it is helpful if you know your student ID number, since this helps us identify you quickly. Once registered, you will attend a first introductory lecture, which will explain the basics of your course. These sessions are open to new WMG MSc students only. Friends attending courses at other departments, agents and chaperones will not be admitted. We may demand to see your ID at any time to ensure this policy is adhered to.

○ **How long will registration take?**

You should plan for registration (including the introductory lecture) taking 2-3 hours. We will do our best to register you as quickly as possible, but please bear in mind there will be queues at busy times.

○ **Can a friend or agent register for me?**

No. It is essential that you register in person. You must not arrange for someone to register on your behalf.

○ **What if I am late getting to the UK?**

If you know, you will arrive after 26 September it is essential that you inform us using the [late arrivals](#) form. There are limits to lateness. If you are arriving late, you must still register with us when you get here. If you are an overseas student, you must have a visa valid for study before we will accept you onto the course.

○ **I have already enrolled at the University; do I need to register with WMG too?**

Yes. Enrolment at the University and registration at WMG are different; you must do both. The University will email you in September with instructions on how to enrol.

○ **Where will registration take place?**

Registration will take place by course in the WMG Student Centre, room 010, which is located in the [International Manufacturing Centre](#) on central campus.
