

# Importance of reshoring

## Julia Moore

Supply Chains in Practice Networking Event  
26 September 2017

Mapping the Engineering Supply Chain  
Building a Connected Network

[www.reshoringuk.co.uk](http://www.reshoringuk.co.uk)

‘The report by WMG on the Realities of Reshoring: A UK Perspective and the development of the Reshoring Initiative, is to encourage engagement with our manufacturing supply chain and to recognise the strength, skills and innovation available to manufacturers in the UK’

Baroness Burt  
Of Solihull

Patron of  
ReshoringUK

## UK Manufacturing Sectors

- GTMA initiative brings together 12 specialist trade associations
