Preface to the previous (June 2008) edition

This catalogue (June 2008) has been compiled thanks to work by Aruni Mukherjee and Duncan Hunter between 2004 and 2008 which has been financed partly by grants from the University of Warwick Research Development Fund (2003) and the A.S. Hornby Educational Trust (2005-2007). Items on shelves are now all listed in this catalogue, in alphabetical order of book title. Significant parts of the collection remain to be catalogued, including genuinely ‘archival’ items (photographs, typescripts, etc.) and AV materials (tapes, gramophone records, films etc.).

Preface to this (October 2009) edition

Further work on cataloguing, primarily by Sheila Verrier, has been greatly facilitated by a British Council research grant (Jan.-Dec. 2009). Cataloguing conventions have been rationalized, and a large number of additional items have been incorporated into the collection from donations or storage. The present edition of the catalogue lists all items on shelves (‘published items’) by alphabetical order of author. There are now 3,643 separate published items in the catalogue (almost all of them books), up from 2,727 items in the first edition of the catalogue. Progress has also been made in cataloguing genuinely ‘archival’ items (photographs, typescripts, etc.) – these are listed in a separate Part 2 of the catalogue (‘Unpublished / Archival material’), available for download from www.warwick.ac.uk/go/elt_archive/catalogue.
