Preface

The bulk of the Warwick ELT Archive collection consists of items published up to 1979. However, we have collected and shelved some 1980+ publications, primarily in connection with the 2010-2011 British Council-funded research project 'Building an Archive and a Record of the History of British Council Involvement with ELT, 1934-2009) (www.warwick.ac.uk/go/elt_archive/research_projects/britishcouncil).

Here, as part of the 3rd edition of the Warwick ELT Archive catalogue (see www.warwick.ac.uk/go/elt_archive/catalogue for the other parts), we provide a catalogue (ordered alphabetically by author) of 220 of these 1980+ publications – in the main, these are British Council or British Council related publications; indeed, the list covers the majority of our holdings of British Council publications from 1980 onwards.
