A scholarship reference

You should ensure that all the documents required to make a decision on the Masters application have been uploaded to your application portal by the date of the scholarship application deadline. (Personal statement, transcript, academic reference)

Award process: The Scholarship Selection Committee will shortlist candidates based on the case for support and academic excellence based on transcript of grades.

The scholarship(s) will be deducted from the successful candidate's academic fees for the year(s) of study at the University of Warwick. As part of the award, the successful applicants will need to provide a short report with feedback and the impact this scholarship has made to their lives and careers.

If a scholarship winner fails to register at Warwick or is in any event deregistered from Warwick within the academic year, Warwick may award the scholarship to another candidate.

Individual feedback to applicants will not be given.

Deadline: 1st June 2021 Applications with missing or late documentation will not be considered for this award.
