Centre of Education Studies, University of Warwick, announces the ‘Bright Future Scholarship’ to support exceptional students from Hong Kong and mainland China on the Global Education and International Development one year taught Master’s programme [https://warwick.ac.uk/fac/soc/ces/prospective/postgraduate/taught/geid](https://warwick.ac.uk/fac/soc/ces/prospective/postgraduate/taught/geid)

**Value of award:** Five valuable scholarships will be awarded for the 2019/20 intake up to the value of GBPE10,000 each (to contribute towards fees) [https://warwick.ac.uk/services/academicoffice/finance/fees/postgraduatefees/#CES](https://warwick.ac.uk/services/academicoffice/finance/fees/postgraduatefees/#CES)

**Eligibility:** To be eligible for an award, applicants should be outstanding students and permanent residents of Hong Kong or mainland China. The scholarship is open to new entrants to the University of Warwick starting in October 2019. Continuing students and those already holding an MA/MSc are not eligible to apply. Candidates are required to have applied to the Global Education and International Development MA programme and received an offer of a place from the University of Warwick.

**Application process:** You will need to complete a scholarship application form [https://warwick.ac.uk/fac/soc/ces/prospective/postgraduate/taught/geid/geids](https://warwick.ac.uk/fac/soc/ces/prospective/postgraduate/taught/geid/geids); submit a scanned copy of first degree certificate; and submit a reference by a former or current tutor/employer before the deadline. Candidates holding conditional offers should demonstrate that all the conditions have been fully fulfilled as at the date of the scholarship application.

**Award process:** The Scholarship Selection Committee will shortlist candidates based on the following aspects:
- academic credentials
- evidence of being a highly motivated student
- personal statement including justification of reasons to study this specific course (maximum 1,000 words)

The scholarship(s) will be deducted from the successful candidate’s academic fees for the full time year of study at the University of Warwick. As part of the award, the successful applicants will need to provide a short report with feedback and the impact this scholarship has made to their lives and careers.

If a scholarship winner fails to register at Warwick or is in any event deregistered from Warwick within the academic year, Warwick may award the scholarship to another candidate. Individual feedback to applicants will not be given.

**Deadline:** 1st June 2019
