

Train to teach

*Excellent teachers
need excellent teachers*

At Warwick, we appreciate that teaching is both a **rewarding** and **challenging career**. That's why we will prepare you from the outset to rise to that challenge whilst instilling our values of **social justice, creativity and inclusion**.

Routes into teaching...

University-led

If you feel passionate about teaching but would like a more gradual introduction to the classroom, this may be the best option for you.

School Direct (Tuition Fee)

If you'd rather be slightly more immersed in the classroom environment, consider the School Direct route. Most of the year will be spent in your host school, but you'll also complete a further placement in another school.

School Direct (Salaried)

The salaried route is ideal for graduates with extensive work experience, who have worked in a school or similar setting for some time and would like to be immersed further into school life.
