Good afternoon

Following the School Direct Briefing (06 October 2021) and subsequent communication (07 October 2021) we have now updated the resource pages ([here](#)) with some further information originally listed in the 'Details to follow when available' section of the previous email.

These updates include:

- Fundamental Skills - Secondary task - **Named as 'Secondary Data Task & Secondary Mini Lesson Task' on the page**
- A response from the DfE regarding School Direct **Salaried** candidates - **Named as 'School Direct Salaried advice from DfE' on the page**
- Digital recruitment activity - recommended format and length for SD partner voiceover and PowerPoint - **Named as 'Partner Videos for Website/Recruitment' on the page (also attached to this email as action is required on this item).**
- Supporting slides/document regarding new DBS process for applicants/offer holders - **Named as 'New DBS process for applicants/offer holders' on the page**
- **Tuition Fees** – are now live on our departmental webpages **DFE have also updated their 'get into teaching pages' published [here](#)**
These will again be £9250 (for 22/23 entry) for Home students. The International/EU student fee is shortly to be confirmed by the University (see below)

Still to be updated:

- As mentioned during the session, **SKE funding and eligibility details** are TBC from the DfE so we will confirm specifics about this at the point that these are released - **still pending from DfE**
- **International student fee for PGCE** shortly to be confirmed by the University, we will let you know asap.
We recommend you state 'International/EU Fees for the 22/23 entry year will be confirmed shortly. These were set as £22,110 for 21/22 entry.'
