Good Afternoon

In addition to the information shared in the communication on Monday 14 June 2021 (a copy of which can be found [HERE](#)) we would like to update you that we now strongly encourage you to close to new **Secondary School Direct** applications by **Monday 28th June 2021** to allow offer holders sufficient time to meet conditions of offer.

If you do plan to accept new applications beyond this suggested closure date, please could you inform the Admissions and Enrolment team as soon as possible by emailing either your Admissions & Enrolment coordinator directly or emailing cte.admissions@warwick.ac.uk

Thanks & Regards
