POSTGRADUATE CERTIFICATE IN EDUCATION (INTERNATIONAL) PGCEi

This one year teaching qualification is specially designed to prepare you for teaching in international settings, developing you into a highly reflective practitioner, equipped with the skills and knowledge to be a successful teacher.

THE COURSE INCLUDES:

- **Face-to-face induction** in Thailand, led by experts from Warwick
- ‘Live’ interactive online lectures every month
- Assessed teaching against UK Teachers’ Standards
- Primary and secondary focus across the subject study module
- Support from international school leaders and experts
- Online personal tutorials from teachers at Warwick
- 90 Master’s level credits towards our MA in Professional Education
- Option to progress to Qualified Teacher Status (QTS)

* Please note – Qualified Teacher Status (QTS) in England and Wales is conferred by the Teaching Regulation Agency on behalf of the Secretary of State for Education (England) and the Minister for Education and Skills (Wales) and not by universities. The PGCE International programme does not therefore offer a license to teach in the UK or elsewhere. The University of Warwick offers an Assessment-Only programme in England for practicing teachers who wish to gain Qualified Teacher Status.
