

Guidance on using Blackboard Collaborate

The PGCEi/ PGCE iQTS programme and the induction will be delivered online via Blackboard Collaborate and Moodle. To gain the most out of your studies you will need an up-to-date personal computer or laptop and a headset. Please see the guidance below on the minimum hardware and software requirements needed to gain the most out of your studies and further information about Blackboard Collaborate:

- [Hardware and software specifications for using Moodle](#)
- [What is Blackboard Collaborate?](#)
- [What hardware or software do I need to use Blackboard Collaborate?](#)
