Our Values

Dr Amira Elasra

Senior Tutor

Department of Economics

Our Community Values

We all have a commitment within the Department to embed our key principles into our work and study environment. These key principles are:

Respect

Everyone within our community has the right to be treated with dignity and respect, regardless of any protected characteristic.

Integrity

We are guided by the principles of integrity, fostering an open and positive environment which is inclusive to all.

Accountability

We have a personal responsibility to commit to these values and hold ourselves accountable to our words and actions.

Department of Economics - Our Expectations – For Everyone

- We all display **professionalism** in our conduct at all times.
- We understand that **every role is important** and contributes to our success.
- We create a **safe environment** for work and study.
- We **do not tolerate inappropriate behaviour** such as sexual misconduct, verbal, online and social media abuse.
- We all build a community in which there is **a mutual respect** and all staff and students can reach their full potential.

**“We” means all of us,
students and staff alike.**

Promoting Mutual Respect and Dignity

Equality, Diversity and Inclusion at Warwick

- **The promotion of Equality & Inclusion concerns all of us and it is the responsibility of all members of our community.**

Student- Staff Liaison Committee

2020/21 Chair: **Carolina Buarque**

WARWICK

- SSLCs are committees made up of elected student representatives and members of the department's staff.
- The main goal of the SSLC is to **ensure that the student voice is heard and well represented**
- Bridge that connects the students with the staff, where we discuss any issues raised connected to teaching, learning and student support**
- Great way to get involved with the making positive changes for students, as well as to improve your CV!

Top-tips:

- 1) Don't undermine the importance of mental wellbeing!
- 2) Take time to plan your time (meal prepping, society events, coursework, revision, ...)
- 3) Make use of the available support network (family, friends, university services)
- 4) Stay on top of your coursework (it does pile up quite quickly!)
- 5) Have fun!

About EconSoc

- Established in 1989, EconSoc is the largest academic society on campus boasting a diverse ranging of opportunities.
- Over 1700 members from 131 degree programmes.
- You do not have to be an Economics to join, simply anyone with a passion or interest in Economics can join.
- This year you can become a member for absolutely nothing, it is totally FREE, so there is no reason not to sign up and be part of the fun.
- Warwick Economics Society is known for its relaxed atmosphere. You will find it easy to make friends and will be amazed by the calibre of the students here.
- We aim to support your academic and professional life but also host various social events too.

Career Events

Our Careers team are there to create amazing opportunities so you can secure the dream internship/job offer you want.

Speaker Events

Our Talks team hosts various speaker events throughout the year from renowned experts, including Tim Harford, Charles Goodhart and Professor Victoria Chick.

Charity

We care about giving back to various communities, so throughout the year we hold charity events to fundraise for specific charities.

What do we offer?

Sports

If you are an active person and enjoy sports, we have different sports teams that you can join and represent EconSoc for in competitions against other societies.

Socials

Work hard, play hard! Our Socials team are responsible for helping to ease your transition into University, help you make new friends and meet the Exec on a more informal basis.

Annual Ball + Tour

One of the biggest highlights of the year is our annual EconSoc ball and our tours (domestic and international). A great way to meet new people and have fun!

Tip 1

Don't let things pile up, work on your own personal structure.

Tip 2

Join something new, learn something different.

Tip 3

Introduce yourself to everyone, you never know when you will make a friend.

Tip 4

Get a bin rota going in your flat.

Tip 5

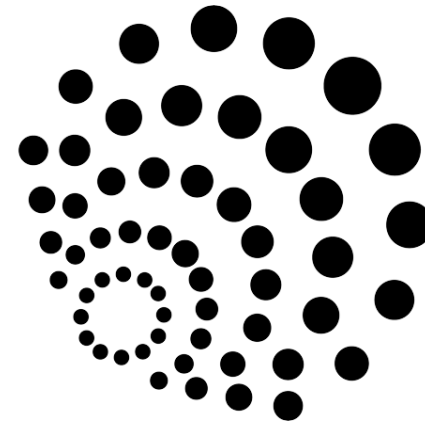

Join EconSoc!
