Events

We run a variety of different events at the Library, all of which are designed to support you through your time at the University. Our events focus on connecting you to your peers, helping you to learn and study independently, and ensuring that you're able to get the support and help you require.

Here are a just two of the events that are open to **all students**:

- **Write Here Write Now**; a pomodoro style event where you can work alongside fellow students to get your work done.
- **Sensory Refresh**; an event that allows you to explore your senses and learn what senses help you to focus better.

Keep an eye on our website and the WhatsOn Calendar throughout the year.

Postgraduate Events

Research Refresh (Wolfson Research Exchange)

Every Thursday from 10.30am – 12pm, we hold Research Refresh, which is a chance for you to meet fellow researchers from different disciplines, unwind, play some games, and refuel with some free refreshments.

PG Tips (PG Hub)

Held on Tuesdays from 3pm – 4pm in the PG Hub. This is an event for all postgraduates. It's a space to meet fellow PGs and includes weekly topics to discuss each week, such as Healthy Study Practices. There are also free refreshments too.
