

Hello, my name is Carolyn Andrews and I'm the programme manager for the postgraduate taught degrees in the economics department. I worked closely with colleagues in the Postgraduate Office and with the Director of Graduate Studies to make sure your course run smoothly and you have a great student experience.

You can find us on the first floor of the social sciences building, or you can contact us by email and you should feel free to get in touch if you have any questions or concerns about your degree programme. We may sometimes need to sign posts you to other departments within the university. And we hope that you have a fantastic time with us studying this year. Please don't hesitate to get in contact if we can be of assistance.
