

# IT SYSTEMS

## AN OVERVIEW OF THE VARIOUS SYSTEMS YOU WILL ENCOUNTER DURING YOUR TIME AS AN ECONOMICS STUDENT

### Economics Website

The current students web pages supply an overview of information including results, module evaluation, reference requests, handbooks and links to other relevant systems. It will also give you direct access to module information and resources including recorded lectures and live streams, alongside an overview of your available module choices;

[www.warwick.ac.uk/economics](http://www.warwick.ac.uk/economics)

### eVision Module

#### Registration (EMR)

eVision enables you to register for your modules and can be accessed via [start.warwick](http://start.warwick) or via [www.warwick.ac.uk/evision](http://www.warwick.ac.uk/evision). For further guidance visit; [www.warwick.ac.uk/services/academicoffice/examinations/emrmenu](http://www.warwick.ac.uk/services/academicoffice/examinations/emrmenu)

### Tabula

Tabula allows you to view your personal timetable, sign up to seminar groups, submit your work, and receive marks. It is also used for monitoring points, seminar attendance monitoring and personal tutor meetings information. A manual is available; [tabula.warwick.ac.uk](http://tabula.warwick.ac.uk)

### Start.Warwick

Start.Warwick is the University of Warwick's personalised home page, or portal, that allows you to bring together all the different applications that you use. There are 'how to' tutorials available on the homepage; [start.warwick.ac.uk](http://start.warwick.ac.uk)
