WARWICK
THE LIBRARY

OneNote in One Hour – 11th of October 3-4pm

Microsoft OneNote is an easy-to-use note-taking programme that allows you to make notes and capture text, images, video and sound from a variety of sources including the internet and e-mail.

Microsoft 365 Productivity Tools – 25th of October 3-4pm

As well as the main programs in Office 365, there are some useful tools that can help you organise your notes, your studies and your daily schedule.

Mastering Microsoft Word – 15th of November 3-4pm

This session will take you through the essentials of Microsoft Word for using and operating the software effectively. Having these skills will enable you to save time and effort when creating, formatting and editing documents.
