Summer Examinations

Mathematical Economics 2: Dynamics, Uncertainty & Asymmetrical Information

Time Allowed: 1 hour 30 minutes, plus 15 minutes reading time during which you may make notes on the question paper. You must not start writing in your answer booklet until you are instructed.

Read all instructions carefully - and read through the entire paper at least once before you start entering your answers.

There is **ONE** section in this paper. Answer **TWO** questions (50 marks each).

Use a **GOLD booklet**.

You must write the number(s) of the question(s) you have answered on the front cover of each booklet. Make sure the numbers are clearly visible and correspond to the questions you completed inside that booklet.

Do not submit answers to more than the required number of questions. If you do, only the first answers (in the order they appear) will be marked, up to the required number for each section.

Approved **scientific (non-graphical) pocket calculators** are allowed.
