

Econometrics and Data Science Conference – Schedule

Our two-day conference organised by the Econometrics Research Group will explore resampling methods in different contexts.

This Conference is being run by the University of Warwick for Warwick Economics staff, PhD and MRes students. Join our guest speakers as they explore resampling methods for panel data models and resampling methods for dependent data.

Details

Date: Wednesday 29 May – Thursday 30 May

Venue: Scarman Conference Centre

Address: University of Warwick, CV4 7SH

Programme

Wednesday 29 May – Day 1 <i>Resampling Methods for Panel Data Models by Professor Silvia Goncalves.</i>	
9.30am – 10.00am	Registration and welcome coffee <i>Scarman Reception and Scarman Lounge</i>
10.00am – 12.30pm	Masterclass Session 1 <i>Scarman Space 43</i>
12.30pm – 2.30pm	Lunch break <i>Lakeview Restaurant, Scarman</i>
2.30pm – 5.00pm	Masterclass Session 2 <i>Scarman Space 43</i>
5.00pm – 6.00pm	Drinks reception <i>Scarman Courtyard</i>
6.00pm	Dinner <i>Scarman Courtyard</i>
Thursday 30 May – Day 2 Resampling Methods for Dependent Data	
9.30am – 10.00am	Registration and morning coffee <i>Scarman Reception and Scarman Lounge</i>
10.00am – 11.00am	Session 1 Giuseppe Cavaliere and Abhimanyu Gupta <i>Scarman Space 43</i>
11.00am – 11.30am	Break <i>Scarman Lounge</i>
11.30am – 12.30pm	Session 2 Silvia Goncalves and Ayden Higgins <i>Scarman Space 43</i>
12.30pm – 2.30pm	Lunch break <i>Lakeview Restaurant, Scarman</i>
2.30pm – 3.30pm	Session 3 Valentina Corradi and EunYi Chung <i>Scarman Space 43</i>
3.30pm – 4.00pm	Break <i>Scarman Lounge</i>
4.00pm – 5.00pm	Session 4

	Adriana Cornea-Madeira and Ignace De Vos <i>Scarman Space 43</i>
