

# 11<sup>th</sup> Warwick PhD Conference

Call for papers – submit by 8 Feb 2023

---

6-8 June 2023, University of Warwick

---

Dear PhD students,

Registration for the 11<sup>th</sup> annual **Warwick Economics PhD Conference** is now open. This year the event will take place on **6-8 June 2023 at the University of Warwick**. The event will be held in person at the premises of the University.

This event is organised by PhD students at the Warwick Economics Department and attended by faculty members. This is an exceptional opportunity to receive feedback on your work, to understand what your international colleagues are working on, to build up networks, and to improve your presentation skills.

The conference papers will be evaluated by a scientific committee, consisting of Warwick Economics Faculty members and PhD students. Papers from Economics and related disciplines are invited. We are not looking for polished papers exclusively; early-stage projects are also welcome. Please find submission instructions overleaf. The deadline for submission is 8<sup>th</sup> February, 2023.

We look forward to receiving your application.

# Submission guidelines

---

---

Please submit an **extended abstract** of **strictly no more than 3 pages** and conforming to the criteria listed below. Abstracts can contain figures and tables – within the 3-page limit with at least one-inch margins and font-size of no less than 11 point.

**The abstract should clearly outline the contribution, methodology, data (if the paper has an empirical section) and key results of the paper**, allowing the reviewer to perform an informed evaluation of your work. **Please ensure that the abstract does not contain your name, institution, or any other identifying information.**

You should specify whether you would like to be considered for the presentation session (20 minutes, 5 minutes discussion) or the flash session (5 minutes, no discussion), or both. **Presenters are additionally expected to serve as discussants for a fellow presenter's paper, according to their field of research.** We will prioritise allocating a slot in the presentation session if both options are selected. We will compensate travel costs for selected participants.

Please submit only **one application**. If we receive multiple abstracts by the same author, we will only evaluate the earliest submission. Applicants will be notified on the application outcome via email **by 8 March at the latest**.
