

Announcement and Call for Papers

PET 2003

Duke University, North Carolina - June 12-15, 2003

The Association for Public Economic Theory (APET) is pleased to announce that it will hold its fourth international meeting at Duke University on June 12-15, 2003. The main purposes of APET are to promote public economic theory generally, and to foster interaction between theorists and applied researchers in public economics. The organizers therefore welcome papers in all areas of economic theory and of public economics.

The deadline for submission of papers will be March 1st, 2003. Late submissions may still be considered at the discretion of the organizers. Please send electronic submissions to:
