EXPERIENCE

University of Warwick - Department of Economics Coventry, United Kingdom
Teaching Assistant and Grader Jun 2024 – Jun 2025

- Teaching Assistant to Economics I (1st year undergraduate). It involves two weekly tutorial seminars for 18 students each and regular office hours for student support.
- Grader for Economics I and Econometrics I. Responsible for marking final exams and group assignments.

Center for Monetary and Financial Studies (CEMFI) Madrid, Spain
Predoctoral Research Assistant Sep 2022 – Aug 2023

- Research Assistant to Professors Samuel Bentolila, Marcel Jansen and Caterina Calsamiglia.
- Integration in the project “The Labour Market Returns to Dual Vocational Education”. The project focuses on Catalonia, Spain and evaluates whether vocational education students who primarily spend their time in internships have an advantage in the labour market.
- Responsible for working with high-quality educational and labour market datasets, creating a spatial distances data set using web scrapping techniques, and conducting relevant statistical and econometric analysis in Stata.

European Central Bank - DG Monetary Policy Frankfurt, Germany
Trainee Aug 2021 – Jul 2022

- Collaboration with economists from the Monetary Analysis Division, providing data support for their analysis of the financing conditions in the euro area.
- Contribution to the conduction of monetary policy, particularly by building and handling relevant databases and managing information.

- Responsible for summarising and visualising micro and macroeconomic data in the areas of interest to the Division.

Nova SBE Economics of Education Knowledge Center

Research Assistant

Lisbon, Portugal

Feb 2021 – Jul 2021

- Evaluation of a higher education loan scheme, which works as an Income Share Agreement (ISA), set up by a Portuguese private foundation.
- Construction of surveys and subsequent data analysis, in order to obtain a profile of the candidates and a follow-up of the beneficiaries.
- Extensive review of different ISAs schemes and higher education funding systems, particularly income-contingent loan systems.

SCHOLARSHIPS AND AWARDS

- Scholarship from the Department of Economics of the University of Warwick, comprising an annual stipend, research funding, and tuition fees. 2023 – Present
