Incentives, Organization, and Public Economics: Papers in Honour of Sir James Mirrlees

Edited with Gareth Myles, ISBN 0199242291, Hardback, 368 pages, with name and subject indexes.

Published by Oxford University Press in March 2001.

Publisher's description: This volume celebrates the career of Nobel Laureate Sir James Mirrlees. The contributions are all by leading authorities and range over Mirrlees' fields of interest: the economics of information, welfare, taxation, project appraisal, and industrial organization. The book will appeal to a wide audience of economists working in microeconomic theory.
