Retirement:

I retired from the Economics Department after 40 years of service, in Dec 2024. There are two writeups - one by my Economics Department and the other by the University of Warwick. Here are the links.

- [From the Economics Department](#)
- [From the University of Warwick](#)

Education (London School of Economics)

B.Sc.(Econ) Honours (Mathematical Economics and Econometrics) (1976).

M.Sc. Econometrics and Mathematical Economics, (1978).

Ph.D. (part-time) (1987).

Special Achievement

Finalist for the *Asian Jewel Award* for Central Britain, April 2004.

Citations

I was named as one of the academics from the Department of Economics among the World's Top 2 percent Scientists by Stanford University, in 2020. The list contains names of the top 2 per cent of the most-cited scientists in various disciplines.

Community activities

Voluntary member of the Local Governing Body of Stoke Park School, Coventry. Sept 2021-August 2024.

Current & past research affiliations

Research Fellow, IZA, Institute for the Study of Labor, Bonn, Germany, 1999-.

Programme Director, Oxford University Centre for Business Taxation, Said Business School, 2006-2018.

Adjunct Professor, University of Oslo, Oslo, Norway, Jan2013-Dec2016.

Research Associate, CAGE, Warwick.

Positions Held

Jan 2025 -Present: Emeritus Professor, Department of Economics, University of Warwick.

2001 – Dec 2024: Professor of Economics, Department of Economics, University of Warwick.

1996 - 01: Reader in the Department of Economics, University of Warwick.

1993 – 96: Senior lecturer in the Department of Economics, University of Warwick.

1986 – 93: Lecturer in the Department of Economics, University of Warwick.

1984 – 86: Temporary lecturer in the Department of Economics, University of Warwick.

1979 – 84: Research Officer at the Centre for Labour Economics at LSE.

1978 – 79: Research Assistant to Dr. S. Glaister at the LSE.

1976, 1977 (summer vacations) and 1976-1978 (part-time): Research Assistant to Prof. W.M. Gorman at the LSE.

Past or Ongoing Other Academic Activities (Panels and Committee memberships)

2019-22 Royal Economic Society Conference Program committee member.

2019 Irish Research Council – member of the International assessment panel for Coalesce research fund.

2019 Swedish Research Council – Review panel member for “Register-based research” call.

- 2019 UK Data Service Data Impact Fellows scheme – assessor.
- 2018 Grants and Fellowships Call 2018 of the Fund for Scientific Research – FNRS – reviewer.
- 2018 The British Academy's "Knowledge Frontiers: International Interdisciplinary Research Projects" – peer reviewer of applications.
- 2017-21 Invited Conference Program committee member: Asian and Australasian Society of Labour Economics (AASLE)
- 2016 Invited Review Panel for the ESRC: Secondary Data Analysis Initiative - Global Challenges Research Fund Highlight.
- 2015-21 Elected member of the Executive committee of the European Association of Labour Economists.
- 2014- Invited Conference Program committee member: European Economic Association.
- 2014-21 Invited Conference Program committee member: European Association of Labour Economists.
- 2014, 15 Invited member of the International Review Panel for NordForsk to assess grant applications for the call "Distribution of Health and Welfare", Norway.
- 2014-17 Invited member of the International Review Panel to assess grant applications to the National Science Centre (Narodowe Centrum Nauki – NCN), Poland.
- 2013 Invited Independent Oversight Committee member of DFID/IZA Program on Labor Markets in Low-Income Countries.
- 2012-15 Invited Conference Program committee member: European Association of Labour Economists.
- 2012, 13 Invited member of the Department for Education's technical advisory steering group for the evaluation of the 16-19 Bursary Fund.
- 2011- Member of the Advisory Group for the "Warwick Evidence", Warwick Medical School.
- 2011-15 Elected member of the Women's committee of the Royal Economic Society.
- 2009 Member of the steering group and economic advisor to the Warwick Evidence, Warwick Medical School. I was also a named advisor on the research grant application WMS made.
- 2008-11 Invited member of the panel of advisers assessing the Commonwealth Scholarship and Fellowship applications.
- 2004-05 Invited member of the Steering Group – Works, Pensions and Labour Economics Study Group.
- 2000-04 Elected member of the Royal Economic Society Council.
- 2002-04 Member of the Research Liaison Committee of the Royal Economic Society.
- 2002-04 Member of 'Nominating' Committee of the Royal Economic Society.
- 2002 & 03 The Royal Economic Society Annual Conference Program Local Organiser.
- 1998-01 Invited member of the Royal Economic Society Programme Committee.
- 1991-94 Fellow of the Royal Statistical Society.
- 1991-93 Invited member of the Social Statistics Committee of the Royal Statistical Society, U.K. Membership terminated due to maternity leave.
- 1988-90 Consultant to the Institute for Employment Research, University of Warwick.
- 1986-87 Consultant to the Department of Social Security project 'Survey of Incomes in and out of Work' - a second cohort study.

Externalling Activities

- 2017-23: External examiner for the Econometrics module on the University of London External Program.
- 2017: External member of the interview panel for a Chair, University of Aberdeen.
- 2017: External PhD examiner; Indira Gandhi Institute of Development Research (IGDR).
- 2013: External assessor for the appointment of a Chair in Economics at the University of Sussex.
- 2011-15: External examiner for Economics ug degree, University College London.
- 2011-14: External examiner for Economics, University of Malaya, Malaysia.
- 2011: External assessor for the appointment of a Chair in Economics, University of York.
- 2007-13: External assessor for appointments and promotions in the Department of Economics, University of Malaya.
- 2005-08: External Examiner for Econometrics courses: University of Strathclyde.
- 2005: External assessor for the appointment of a Chair in Economics at the European University Institute, Florence, Italy.
- 2005: External assessor for the appointment of a Chair in Economics at the University of Strathclyde.
- 2004-06: External assessor for the appointment of a Chair in Economics and also Readership/Senior Lectureship/ Lectureship in Economics at the University of Leicester.
- 2002-05: External Examiner for the Econometrics exams in the Masters programmes (Economics, Economics & Econometrics, Economics & Public Policy, Finance & Management and Quantitative Development Economics) in Economics, University of Bristol.
- 1998-01: External examiner for (i) the M.Sc Economics course 'Methods of Economics Investigation I' and 'Methods of Economic Investigation 2' (both Econometrics courses) at the London School of Economics.
- 1992-93: B.Sc Economics course 'Economic statistics and Econometrics' at the London School of Economics.

- 1991-94: Quantitative courses in the Economics and Economics related degree courses at the University of Loughborough.
- 1988-91: External examiner for (i) the M.Sc Economics course 'Methods of Economics Investigation I' and 'Methods of Economic Investigation 2' (both Econometrics courses) at the London School of Economics.

PhD Examining

Some of the examining carried out: Universities of Essex, London School of Economics, Keele, Manchester, Newcastle, Oxford, Southampton, Stirling, Sussex, European Institute Florence, University of Oslo, University of Warwick.

Other Academic Activities

- 2002-04: Visiting professor, Institute for Social and Economic Research, University of Essex. 1 Oct 2002 – 30 Sept 2004.
- 2001 & 08: Visiting Research Fellow, IZA, Bonn, 28-31.05.2001 & 5-12.7.2008.
- 2001: Invited speaker at the 'Recent developments and applications in statistical analysis of discrete structures' held in Munich.
- 1991: Visiting Fellow in the Department of Statistics, Australian National University, 22nd July, 1991 - 15th Sept., 1991.

Editorial Work

- 2005- : Editorial board, Foundations and Trends in Econometrics.
- 2000: Editor in chief, joint world conference of the European Association of Labour Economists (EALE) and the Society of Labor Economists (SOLE), conference volume.
- 1999-06: Associate editor, Labour Economics: An International Journal
- 1999: Editorial board, Royal Economic Society, conference volume.
- 1991-99: Replication Study Section Editor, Labour Economics: An International Journal, Elsevier, North-Holland. Founding Editor.

Supervision and examinations of M.Sc. and Ph.D. dissertations (UK and abroad)

Many Supervisions carried out every year.

Recent PhD completions (since 2011): Ruoxi Pan (Warwick Medical School) (2026); Bhaskar Chackravorty (2022); Divya Deepthi (2018); Andrea Papini (2018); Mario SanClemente (2016); Sam Watson (2014); Artemisa Flores (2013); Federica Liberini (2013); Rafael Sanchez (2012); Marco Alfano (2012); Yu Aoki (2012); Daniel Gutknecht (2012); Francesco Porcelli (2012); Peter Backus (2011); Asako Ohinata (2011).

Departmental and University Administration

I have carried out the following departmental and university administration: Director of UG Studies, Director of MSc, Director of PG Diploma, UG exams secretary, interview panel member (various departments), senior and junior recruitment committee member, etc; Athena-Swan member of the steering group, member of the Senior Management Team.

Modules Taught at Warwick

M.Sc/MPhil: Panel Data Econometrics (optional), Introductory Econometrics (optional core), Advanced Econometrics (Econometrics B) (optional core), MSEF Econometrics (core), Applied Econometrics (optional core), Labour Economics (optional); Advanced Econometric Theory (1st year core for MRes).

UG: Econometric Theory (3rd year option); Topics in Applied Econometrics (3rd year option); Statistics and Econometrics (2nd year core); Quantitative Techniques II (1st year core).

Invited and Contributed Talks

I routinely present my work every year various departmental seminars (invited) in the UK and also in Europe, and also at conferences (national and international).

Refereeing and Acting as a Rapporteur

Refereeing articles for Development Studies, Econometrica, Economica, Economic Journal, Economic Record, Economics of Education Review, European Economic Review, Industrial Relations, Industrial and Labor Relations Review, International Economic Review, International Journal of Industrial Organisation, International Tax Journal, Journal of Applied Econometrics, Journal of Human Resources, Journal of Population Economics, Journal of Public Economics, Journal of the Royal Statistical Society, Labour, Labour Economics, Middle European Journal of Medicine, National Tax Journal, Oxford Bulletin of Economics and Statistics, Oxford Economic Papers, PNAS, Regional Studies, Research in Labor Economics, Review of Economic Studies, Review of Economics and Statistics, Review of Income and

Weath, Scandinavian Journal of Economics, Scottish Journal of Political Economy, Socio Economics, World Development.

Refereeing project applications for the Economic and Social Research Council, Leverhulme Trust, National Science Foundation, Nuffield Foundation, NordForsk (Norway), Polish Research Council, Swedish Research Council, Irish Research Council, and various Governmental Departments, and also acting as a Rapporteur.

Special Invited Lectures

Special invited lectures on 'Duration Models', Aarhus, Denmark, 1993.

Special invited lectures on 'Panel Data Models', Bank of England, Dec., 2005.

Special invited lecturers: University of Jaffna, Dec 2019.

Workshops organized

2015: June: Labour Workshop, Scarman House, Warwick University. With Miguel Almunia, Claire Crawford and Roland Rathelot.

2010: October: Nutritional Status of Children in India: Trends and Strategies, Indian Council for Social Science Research, New Delhi, India. With Nisha Srivastava and Anjor Bhaskar.

2002 & 03: The Royal Economic Society, Annual Conference, Warwick University. I was the local organizer.

Research Grants & Contracts

2022: PI: The British Academy –“The impact of Covid-19 lockdowns on body weight of adolescents.”; April 2022-March 2023.

2021: PI: CAGE (Centre for Competitive Advantage in the Global Economy, Warwick): “The impact of Covid-19 lockdowns on body weight of adolescents.” 4 months.

2019: CI: IGC (International Growth Centre) funding for £34,999, with Roland Rathelot (PI), Clement Imbert, and Bhaskar Chakravorty.

2019: PI: CAGE (Centre for Competitive Advantage in the Global Economy, Warwick): Invited lectures at the University of Jaffna, Sri Lanka.

2018: PI: ESRC IAA NGO Data Fund for £3,300.

2017: PI: CAGE (Centre for Competitive Advantage in the Global Economy, Warwick): PI: “Determinants of Participation in Skill Training Programmes and the Impact on Job Creation Prospects in Rural Bihar”. £12,247.

2015: PI: British Academy/Leverhulme: Inequalities in Bowel Cancer referral rates and subsequent health outcomes. £5,000 over 2 years.

2013: CI: ESRC: £1.75 million over 3 years starting October 2013, for "The effects of business taxation on economic and social welfare: new insights from tax return data". The main research will be based at the Oxford University Centre for Business Taxation (PI: Mike Devereaux).

2010: PI: ESRC: Pathfinder Research Projects: Women's autonomy and the nutritional status of children in India, jointly with Prof. Nisha Srivastava (Allahabad University, India) and Anjor Bhaskar (India). April 2010-May 2011. £49,408.30.

2008: CI: ESRC: 'Business, Tax and Welfare', £2.5 million for 4 years starting in the autumn 2008. I was one of 5 co-applicants. The main research will be based at the Oxford University Centre for Business Taxation (PI: Mike Devereaux).

2004: PI: ESRC: 'Sibling death clustering in India', £46,803.50 for 24 months starting from October 2004, jointly with Dr Sonia Bhalotra of University of Bristol.

2003: PI: ESRC: 'Medical Schools: applications, admissions and progression', £43,003 October 2003- Sept 2005, jointly with Robin Naylor and Jeremy Smith.

2002: CI: Leverhulme Trust: 'Training in Europe: its causes and consequences', £57,436 for 21 months starting from October 2002, jointly with Alison Booth and Mark Bryan of University of Essex.

1996: CI: Leverhulme Trust: 'Research into unemployment and technical and structural change'. This was done as part of an inter-disciplinary research team consisting of researchers from various institutions. Professor Ken Burdett at the University of Essex is the Director of the 'Institute for Labour Research' which was set up with the fund, £875,000 over a period of five years.

1993: CI: ESRC: 'Measuring the Dynamic Impacts of Job-related Training', (with A. Booth and P.Elias), £54,660. 1.4.93 - 31.3.95.

1990: CI: Department of Employment: UK micro-labour markets group, 1990/92. I was part of a research team which consists of some people from University College (London), University of Kent and University of Keele and Mark Stewart from University of Warwick. Grant was for two years.

1989: CI: Department of Social Security: 'Survey of Incomes in and out of work - Econometric work on the duration of unemployment' (with M.B. Stewart). £64,822.

- 1988:** CI: Charities Aids Foundation funded. 'Modelling of Corporate Donations' (with P. Stoneman). £2,000. October, 1988.
- 1988:** CI: Leverhulme Trust: 'The Determinants of Individual Unemployment Durations' (with M.B. Stewart). £35,520.
