

# Futuretrack 6 - 15 minute survey - FOR DISTRIBUTION

---

## Start of Block: Intro

Q1 Welcome to the sixth stage of Futuretrack, a study that follows people who applied for full-time higher education courses between September 2005 and September 2006 through UCAS. We last sent you a questionnaire like this in 2019, but we know from the brief enquiry we made in September that many of you have experienced significant changes over the past year. We'd now like to ask you about how your situation has changed since 2019.

This survey should take no more than 15 minutes to complete, depending on how many questions apply to you. If you are viewing the survey on a smartphone, consider turning it landscape to see question options better. You can stop the survey and come back to it at any time using the survey link we sent you. The information you provide will be treated in confidence and stored securely according to the University of Warwick's data protection and ethics regulations. See the [Participant Information Leaflet](#) and our [privacy statement](#) for further information. If you have any questions for the research team, please email us at [Futuretrack2006@warwick.ac.uk](mailto:Futuretrack2006@warwick.ac.uk).
