Websites with Role Models

www.stemnet.org.uk

Click on **Teachers** to see the range of resources available
Click on **Sub-Regional Contract Holders** to find out how to get ambassadors (people who are willing to come and talk to pupils) in your area

www.noisemakers.org.uk

Click on **noisemakers** to view the profiles of a variety of younger people involved in STEM careers

www.ukrc4setwomen.org

Click on **Resources** then view **Personal Stories** and **Other Case Studies**.

<http://www.getsetwomen.org/>

The GetSET Women database on the UKRC website can be used to search for women who work in STEM careers, scientists, mathematicians, engineers etc.

www.windsor-fellowship.org

Home page and click on **REACH National Role Models Programme** and **Pre 19 Programmes**

www.wes.org.uk

Click **Taking a Leading Role**; view **Role Model Study**, especially **Useful Websites**

www.businessinschools.co.uk

General website to help schools engage with business. May have useful links who can supply appropriate role models

www.geriproject.org

Click on **Role Models**

www.scenta.co.uk

Click **Careers**, Click **Working in STEM**. Use **Role Model** page to search for **role models**, view also other sections especially **Case Studies**

www.wisecampaign.org.uk

Click **Inspirational Women**

www.thelep.org.uk

Click on **Teachers** and **STEM Days** if you are in the London area and would like to host a STEM Day - the LEP will organise the role models and activities with you

<http://www.britishchambers.org.uk/find-your-local-chambers>

Try your local **Chamber of Commerce** who may be able to put you in touch with appropriate role models

www.jivepartners.org.uk

Click **Products and Resources** for ideas about how to encourage organisations that might be resistant to change

Websites with Work Experience Guidance

www.rsc.org/Education/SchoolStudents/careers.asp

Careers pages from the Royal Society of Chemistry, including pages on work experience placements.

www.britishecienceassociation.org/crest

Gives information on the different levels of CREST awards and how they can be achieved.

www.hse.gov.uk/youngpeople/workexperience/index.htm

Specific information related to work experience placements for young people by The Health and Safety Executive

www.nhscareers.nhs.uk/workexperience.shtml

A page on the NHS careers website where the downloadable pdf version of the work experience pack is available

www.direct.gov.uk/en/EducationAndLearning/14To19/Years10And11/DG_10013569

Government website containing useful guidance about work placements and links to other sites. Aimed mainly at young people.

www.iebe.org.uk/index.php/business

The Institute for Business Excellence was launched in June 2009 and brings together individuals and organisations working in the space between education and business.

[Employers' Guide - Home](#)

is a new site to support engagement between employers and education including the provision of work experience placements.

www.trident-edexcel.co.uk/tsec4.asp

The employer pages of the Trident Edexcel website. Other sections are aimed at learners and teachers.

www.trident-edexcel.co.uk/tsec3_guide4p.asp

A guide for parents and carers to help them support young people in work experience placements.

www2.warwick.ac.uk/fac/soc/cei

The Centre for Education and Industry is involved in research and teaching in work related learning, vocational education and training, and enterprise education.
