

The Thirteenth Conference on the Future of Adversarial and Inquisitorial Systems

UNC School of Law and Duke Law School

May 2-4, 2024

The conference series, “The Future of Adversarial and Inquisitorial Systems” is a collaboration between the Universities of Warwick, North Carolina, Bologna, Basel and Duke University. For more information about the series, including past conferences, you can visit this website: <https://warwick.ac.uk/fac/soc/law/research/centres/cjc/events/international-conference-series/errors-in-criminal-justice/>.

This year’s conference was made possible by support from the Wilson Center for Science and Justice at Duke Law School, the University of North Carolina School of Law and the Institute for Humane Studies at George Mason University.
